

Niah Price

Tech Enthusiast

Analytical Computer Science (AI & Data Science) graduate with hands on experience in data cleaning, visualisation and predictive modelling. Skilled in applying statistical and machine learning techniques to extract actionable insights from complex data. Excellent problem solving and communication skills with a proven ability to deliver results in fast paced, customer focused environments. Eager to apply technical and analytical expertise to drive data informed decisions in an IT or data role.

PROFESSIONAL EXPERIENCE

Crew Member, McDonalds Nov 2022 - Present

- Delivered high quality service in a fast paced environment, maintaining accuracy and efficiency under pressure
- Trained and supported new employees, promoting teamwork and smooth workflow operations
- Identified and implemented small process improvements that enhanced speed and accuracy
- Assisted in monitoring inventory levels and restocking supplies, ensuring efficiency
- Resolved customer issues quickly and professionally, strengthening customer satisfaction and loyalty

Data Analyst Intern, Uptrail Jun 2025 - Jul 2025

- Conducting data cleaning, exploratory analysis and visualisation using Tableau and Power BI
- Building predictive models (ARIMA, Prophet, ANOVA) to forecast trends and support data driven business strategies
- Using Python and SQL to manipulate datasets, generate insights and design interactive dashboards
- Collaborating in a cross functional team to provide actionable recommendations based on analytical findings

Call Centre Agent, SwiftSwitch Jul 2023 - Sep 2023

- Managed inbound and outbound calls, offering tailored energy and utility contract solutions to business clients
- Met and exceeded KPIs for call handling, customer satisfaction and conversion rates
- Maintained accurate CRM records, supporting sales and performance tracking
- Developed communication, negotiation and analytical skills through client interactions and problem solving
- Participated in extensive training programs to develop product knowledge, customer service skills and call handling techniques

Support Assistant (Volunteer), Legends Learning Centre Aug 2022 - Feb 2023

- Supported children aged 6-8 with educational and creative activities in a safe learning environment
- Collaborated with staff to plan and deliver engaging sessions that promoted learning and development
- Ensured adherence to safeguarding and health & safety policies, demonstrating responsibility and reliability

EDUCATION

BSc (Hons) Computer Science (AI & Data Science)

Goldsmiths, University of London
2023 - 2026

Grades: 1st Year: 73.4% | 2nd Year: 72.5%

Key Modules: Data Analytics, Machine Learning, Programming in Python, Database Systems, AI, Neural Networks

CERTIFICATIONS

Google | 2024

Foundations of Project Management

Netcom Training | 2025

IT Support

SKILLS

- Python (Pandas, NumPy, Prophet)
- SQL (MySQL, PostgreSQL)
- Microsoft Excel (Pivot Tables, Power Query)
- Jupyter Notebook
- Power BI & Tableau
- Dashboard Design & Data Insights
- ARIMA, ANOVA & Forecasting
- Data Cleaning & Evaluation
- Database Management & Cloud Systems
- Data Pipeline & Integration
- Microsoft 365 & GitHub
- CRM Systems
- Analytical Thinking & Problem Solving
- Communication & Teamwork
- Adaptability & Time Management
